Bakery & Pâtisserie

OUR PHILOSOPHY

All of our cakes, pastries, breads & sandwiches are made from scratch.

We only use real butter & premium quality chocolate in our baking.

We do not use margarine or fake fats.

We make freshly brewed coffee using 100% Arabica coffee beans.

All of our cakes, pastries & beverages contain less sugar than normal.

Some have no sugar added to them at all.

We make everything ourselves.

We hope you notice the difference.
